## **Mondays**

October 16th - November 13th 2023

5 week session

### **2:50-4:15pm Kids Art-making, Drawing, Painting, & Mixed Media - Age 5-12**

Let's get our hands dirty! During this 5 week session we focus on learning the core values when experimenting with common art supplies. We touch on colour mixing, blending, and texture, as well as storytelling and imagination.

*\*Vortex studio Pick up at Wakefield school*

### **4:30-6:00pm Youth Painting - Watercolour and Acrylic - Age 8-14**

Do you love to paint but would love to learn more about paint handling and texture? This class we experiment with different kinds of acrylic paint and watercolour. Through hands-on experimentation and step-by-step demonstrations, students learn how to take their paintings to the next level.

## **Tuesday's**

October 10th- November 14th (\*No Class on halloween)

5 week session

### **2:50- 4:15pm - Kids Creative Cool Crafts - Age 5-12**

Does your kiddo love to make, but you hate the mess? This is the class for them. We bring out our glue guns for this hands-on creative crafting class. We will make fun 3D projects that can be used around the home as decor, or useful everyday items with a creative flair! This is also a great class for learning the best practice for safe glue gun usage.

*\*Vortex studio Pick up at Wakefield school*

*4:30-8:00pm - Private or semi private group booking time available*

## **Sundays**

October 15th- November 12th

5 week season

### **9:00-10:00am Littles Arts and Crafts - Age 3-5 \$125**

Do you have a little one that loves to be creative? During this session we will make fun artworks and crafts embracing unique metals and art supplies.

All children must be accompanied by an adult. All projects are geared towards a guardian/child pair. Add an additional child for \$10 per class

*\*Note the space is a full time art studio with lots of small objects around. We do not recommend this class for children who still put items in their mouth.*

### **10:30-12:00pm - 3D Art Making age 7-14**

Does your creative kiddo see the world in 3D? In this morning mixed media class we dive into 3D art making and the different possibilities of supplies you can use to get your desired effect. Through the use of papier-mache, wire, clay, acrylic painting mediums, glue guns, and imagination, we achieve some really unique and playful works of art.

## **P.D. Day Art Camp at Vortex**

9:00-3:00pm  
\$79 per day all supplies included

Come spend the day at Vortex getting creative! PD camp runs 9:00-3:00pm. Similar to our summer programs, we spend our days fully immersed in the wonders of art making from painting and drawing, to 3D crafts Everyday brings new projects!
